## Best News of the Year

I have just been informed that The Bishop has renewed Canon Barry's contract as Priest-in-charge at St. James.

He tells me he was happy to say **yes**.

We are so blessed and grateful to have him steering our ship with the very capable officers he has on board, Reverend Frank, David Rook Green, Linda McCall. And a crew of Emil, Ruth, Lorie, Dianne, Pat, and Paul.

**Good Job Captain and crew of the good ship  
St. James.**

### Message from Rev. Canon Barry

Unfortunately, opening for outdoor services awaits the arrival of stages 2 and 3 in the Ontario plan for reopening. I cannot give you a fixed date. But when we know, we will let you know!!!!

Further, I will call for a congregational meeting for Zoom and telephone in June but that needs some more information before setting the date.

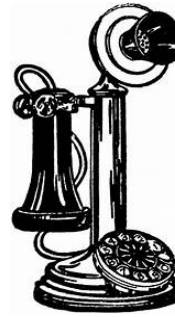

I just want to say a big thank you to everyone who has contributed to our special building fund project... at the time of writing we are at 92% of our goal of \$50,000.00. Also to everyone who have been mailing your church offering or e transferring them to Lorie, the bills keep coming in even if we aren't there. So keep up the good work. And to all those who are helping the various food banks with either donations by cheque or adding to the food boxes at the stores. Blessings to you.

### COMING UP

**June 30th** – Decoration Day, Emily Cemetery  
Has been cancelled for this year.

### Message from the Editor

It's so important to stay in touch with our friends so keep calling everyone you can. Remember, you might be their only call today. Spread a little sunshine with a cheery voice, be kind and keep everyone you love in your prayers and all those who are working to keep us safe.

### Thoughts to Ponder

A cars windshield is so large, and the rear view mirror is so small... (I wonder why)...  
Because our past is not as important as our future, so, look ahead and move on.

Pray is not a "spare wheel" that you pull out when in trouble, but is a "steering wheel" that directs the right path throughout.

Worrying does not take away tomorrow's troubles, it takes away today's peace.

Ruth Stedall passed along these thoughts but  
Sister June Nash gets the credit.
